“He was fast, tough, sound and precocious – all the attributes needed for a sire to make it in the southern hemisphere.”

Hussonet the Champion Sire of Chile seven times and more than 350 Winners and 123 Stakes Performers has exploded onto the Leading Australian Sires Lists. Hussonet is the sire of 26 G1 winners (more than any stallion at Stud in Australia today) including Australian Horse of the year Weekend Hussler, World Champion 3 year old sprinter and G1 Blue Diamond Winner Reaan. Hussonet has continued his siring successes in 2009 revealing exciting G3 winner Miss Darcey (G1-Placed AJC Oakes) plus SWs Dirty and Bold Trail (also GR1-Placed AJC Galaxy). Hussonet’s Australian Runners have an average time form figure of 86, this places Hussonets runners third only to Redoutes Choice (93) and Anabaa (89) [among active sires to April 2009]. An outstanding individual standing at 15.3 hh, Hussonet is providing the hottest outcross sireline available in Australia.

His first Australian Group winning runner Husson Lightning is a correct and mobile athlete, full of enthusiasm. A sharp jump-and-run 2YO, Husson Lightning was victorious in the first Group race for 2YO’S on the Australian Racing Calendar, the Group Three Maribyrnong Plate. Racing only at the highest level, Husson Lightning won or placed in 6 Stakes races. As testimony to his early maturity, Husson Lightning’s effort to carry 59kgs to victory in Sydney as a December 2YO was simply outstanding. His performances earned him a 2YO Timeform Handicap Rating of 118, confirming him as one of the best of his generation.

Again Stakes placed as a 3YO Husson Lightning retires to Stud in 2008 a sound, lightly raced Group winning sprinter, with all the commercial qualities of a future leading sire.

“I love it when they carry the big weight and lead and do it that way. The plan was to sit behind them but he just jumped too well.”

David Hayes - Trainer.

“I am thrilled to be training arguably the best Hussonet’s sold at this years Magic Millions, Karaka and Sydney sales (bought by Angus Gold, Hubie De Burgh and Mark Pilkington). If they have the same talent as Husson Lightning, I will be thrilled. My bloodstock team will be eagerly viewing Husson Lightning’s initial crop of yearlings.”
