Husson Lightning's first crop foals have left a very favourable impression on breeders. It's easy to see that he's leaving a type - they are strong, well built youngsters that ooze muscle. He has been well supported by local bloodstock agents, along with prominent local and interstate breeders alike.

Husson Lightning is the first Australian bred group winner by champion sire Hussonet, the most dominant active sire son of Mr Prospector at stud.

A sharp jump-and-run 2yo, Husson Lightning was victorious in the first group race for 2yo on the Australian racing calendar, the Group Three Maribyrnong Plate, a race previously won by leading sires Bel Esprit, Testa Rossa, Canny Lad, Rancher, Baguette, Vain and Biscay.

Racing only at the highest level, Husson Lightning won or placed in six stakes races. As testament to his early maturity, Husson Lightning's effort to carry 59kgs to victory in Sydney as a December 2yo was simply outstanding.

Trained by champion trainer David Hayes who commented "I love it when they carry the big weight and lead and do it all the way. The plan was to sit behind them, but he just jumped too well."

Husson Lightning's performances earned him a 2yo timeform handicap rating of 118, confirming him as one of the best 2yo's of his generation.

Again stakes placed as a 3yo Husson Lightning retired to stud in 2008, a sound Group winning sprinter with all the commercial qualities of a future leading sire.

Height – 15.3 HH

- By Hussonet the most successful Group One producing sire at stud in Australia today.
- Multiple winning 2yo just like his sire Hussonet.
- Outcross to Danehill.
- Excellent fertility and fantastic temperament.
- First Australian Group winner by champion sire Hussonet.
- Very even foals in Hussonet's mould – Good strong and precocious looking types.

SIRELINE

Hussonet is the most dominant active sire-son of Mr Prospector at stud, being the sire of more than 125 Black Type performers and 19 champions. Hussonet is also the most successful Northern Dancer free stallion at stud in Australia on a SW/Foals basis. Not surprisingly, 16 of Hussonet's 27 Group winners have been bred from Northern Dancer line mares. Hussonet is responsible for more Group One winners than any other stallion at stud in Australia today (1/4/2010). Hussonet's Group One siring tally include the exceptional Group One N.Z. Railway Stakes winner Gold Trail, Group One Blue Diamond winner Reaan, and 7 time Group One winner, Australian Horse of the Year and World Champion 3yo sprinter on turf, Weekend Hussler....

HUSSON LIGHTNING

"I am thrilled to be training arguably the best Hussonets sold at the 2009 Magic Millions, Karaka and Sydney sales (bought by Angus Gold, Hubie De Burgh and Mark Pilkington). If they have the same talent as Husson Lightning, I will be thrilled. My bloodstock team will be eagerly viewing Husson Lightning's initial crop of yearlings."
