Saxon's first crop have developed into very strong and stylish yearlings. We saw some very positive results at the 2010 Perth Magic Millions Yearling Sales and it was pleasing to see prominent local agents and some of the states leading trainers purchasing Saxon's first offspring.

Saxon was a high class racehorse notching his first win as 2yo in Sydney and training on to win twice at Group level over a mile as a 3yo.

Saxon's pedigree combines the most dominant bloodline in Australia with the most dominant bloodline in Europe. Saxon's sire, the incomparable Danehill, has been the greatest sire in the history of Australasian breeding and racing. Saxon's maternal sire Sadler's Wells, has been the greatest sire in the history of European racing and breeding and sire of the ill fated Scenic, WA's Champion sire.

Saxon's dam Jeanetta Cochrane hails from one of the Aga Khan's great families, is the dam of three stakes horses and is closely related to Kalanisi, dual Group One breeders Cup Turf winner of over \$4 million dollars and now a successful sire.

A winner at two years of age, Saxon's best race performances were as a 3yo and included wins in the prestigious Group Two Queensland Guineas and the Group Three Doomben Classic, each over a mile.

A classic son of Danehill, rich with pedigree and talent, standing just over 16hh. Saxon has been one of West Australia's most popular stallions covering, on average in his first three seasons at stud, 108 mares per year with excellent fertility.

Height – 16.1 HH

- Multiple group winning 3yo
- Combines the most dominant bloodline in Australia with the most dominant bloodline in Europe
- Great feedback coming through from breakers on his rising 2yo's, regarding their action, temperament & ability
- Yearlings sold to \$50k, Perth Magic Millions Yearling Sales 2010
- A magnificent son of Danehill, an all-time great sire of sires

SIRELINE

During his phenomenal stud career Danehill became a champion sire on both sides of the equator. He was leading sire in Australia nine times, the leading sire in Great Britain and Ireland three times and the leading sire in France twice. Worldwide Danehill is the sire of 349 stakes winners that included 88 group one winners and 23 champions. His inherent ability to sire successful sires is perhaps his greatest legacy. They include Redoute's Choice, Flying Spur, Danzero, Fastnet Rock, Exceed and Excel, Rock of Gibraltar and WA's ill-fated Champion sire in Danetime.

"I have viewed a number of Saxon's first crop and was most impressed, they are athletic, quality individuals with great scope." **Adam Durrant – Trainer**

"He was a dream horse to train: great nature and real honest. He copped a heap of work and was always sound. Always. He'd have won more Group races if he'd not raced on so many wet tracks." **Gerald Ryan – Trainer**
